S I R:

Upon review of the Notice of Allowance dated July 18, 2008, the Applicants have noted several minor typographical errors in the Notice of Allowability as follows:

On page 3, line 8 and page 7, line 9 of the Notice of Allowability, please note that the reference to "FI" should actually be "F". This inadvertent error is also being corrected by the submission herewith of an amendment under 37 CFR §1.312.

In addition, on page 3, line 15 and page 7, line 6, Applicants submit that the reference to "5:9~ to 98:2" should be deleted, and that the ratio of the segment A to segment B in the segmented fluoropolymer should read "30:70 to 90:10 wt.%". This amendment had previously been made to the claims by Applicants in an Amendment filed April 28, 2008 (see amendment to Claim 30).

Respectfully submitted,

By: B. Aaron Schulman
